1487 K. P. POONEGAR, *Secy.*

OFFICE OF THE DIRECTOR OF GEOLOGY IN MYSORE, BANGALORE.

Notification dated 3rd September 1946.

Mining of 750 tons of Raw Kaolin at Gullahalli (Hoskote Taluk), and supplying the same to the General Manager, Government Porcelain Factory, Malleswaram Post, Bangalore.

Notice is hereby given that the above quantity of raw material is to be mined at the place noted above under the supervision of this department, and to be supplied to Government Porcelain Factory, Bangalore.

Sealed tenders from intending contractors for the above work will be received at the office of the undersigned from 12 NOON and up to and not later than 2 P.M. on Friday the 27th September 1946 when the tenderer should also deposit an earnest money of Rs. 100 for the due fulfilment of the terms of contract which will be returned if the tender is not accepted.

Each tenderer should send his lowest quotation per ton in a sealed envelope addressed to the Director of Geology in Mysore, Bangalore, and superscribed "Tender for the mining and supplying of raw Kaolin". The name of the tenderer should also be superscribed on the top of the cover.

Tenders will be opened by the undersigned at 2-30 P.M. on 27th September 1946, when the tenderers should be present, the successful tenderer will have to execute a bond stating that he will fulfil the terms of contract during the term of contract, failing which the deposit of earnest money will be forfeited. In such a case, re-tender will be called for, any loss to the Government thereon will have to be paid by the party failing to accept the contract.

The Director of Geology reserves to himself the full right to accept or reject any tender without assigning any reason, therefor. Further details, if any, required in this connection may be got from the Office of the Director of Geology.

The mineral should be mined and stacked on the mine head and delivered to the representative of the Government Porcelain Factory in quantities not less than 250 tons per month, the first lot commencing not later than one month from the date of the execution of the bond. Tho delivery at pit's mouth will be taken on volume basis and calculated at 27 cubic feet per ton.

The mining work shall be carried out in strict accordance with the rules in force relating to open cast method and all the instructions issued by this department on the technical side of the work, shall be strictly adhered to.

The mined material shall be regularly stacked in the mine-yard affording facilities for transport.

As far as possible, the local labour shall be encouraged by employing them for the mining work.

The period of contract is for the calendar year 1946-47.

The measurement of the stacks of mineral taken in the presence of the contractor or his representative and an officer of this department together with the representative of the Government Porcelain Factory, will be taken as final for the settlement of the bills.

The cost of material delivered shall be claimed by a bill in duplicate which will be paid by this office after due verification.

1600 M. B. RAMACHANDRA RAO, For *Director*

OFFICE OF THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE.

Notification dated 9th September 1946.

No. R. R. 15—45-46. It is hereby notified for the information of intending purchasers that about 14,650 old gunnies will be sold in public auction in Government Fuel Reserve Depot No. I, adjacent to the City Municipal Offices, Bangalore City, at 10 A.M. on 10th October 1946. The terms of sale are as follows :—

(1) The lot will be knocked down to the highest bidder, who is the purchaser and he should on the spot deposit 50% of the amount and pay the balance within a week.

(2) The sale will be subject to confirmation by the undersigned if the sale is conducted by one of his subordinates authorised to do so.

(3) If the deposit amount or the balance is not paid as indicated in condition (1) *supra*, the old gunnies will be put up for resale and any loss incurred by resale will be met by the original bidder.

(4) Each bidder will satisfy himself beforehand as to the condition of the gunnies. The gunnies may be inspected at the Depot on all working days between 8-30 A.M. and 12-30 P.M. No complaints lodged by parties after the goods are knocked down, will be received.

(5) The gunnies must be removed at the purchaser's cost within three days of the confirmation of sale.

(6) The decision of the undersigned is final in all matters.

1715 A. S. RAMANNA, *Spl. Officer* I/c.
